INDUSTRIES & COMMERCE (PROGRAMME.III) DEPARTMENT

G.O.MS.No. 145 Dated: 30-10-2017

Read the following:

1) D.O. Lr No. RWS- TF0GF/ 87/ 2017- DEE- RWS- WG, dt. 22.03.2017 of District Collector, West Godavari.

2) Minutes of the meeting held on 3 rd October, 2017 by the Secretary to Government (Food Processing), Government of Andhra Pradesh.

****

ORDER:

The Ministry of Food Processing Industries, Government of India sanctioned Mega Food Park at Tundurru village, Bhimavaram Mandal, West Godavari District in December, 2013 and the promoters are Ananda Group and others. The project cost is Rs. 122.60 crores which includes Grant-in-aid of 50 Crores, granted by Ministry of Food Processing Industries, (MOFPI), Government of India.

2. The Godavari Mega Aqua Food Park is an Integrated Aqua Processing Project coming up in 57.81 Acres. The core activity proposed in the park is processing of fish / prawn with all allied facilities like Cold Storages, (Individually Quick Frozen) IQF lines, Block Ice manufacturing plant etc. The Food Park obtained Consent For Establishment (CFE) initially in April, 2014 from Andhra Pradesh Pollution Control Board (APPCB) and started construction in May, 2014. Several representations have been received to take appropriate measures to control Pollution, if any from the Park.

3. The Government held several meetings with the public representatives in order to create awareness among the general public that the park is zero discharge category and all the treated water will be used for surface irrigation and for greenery maintenance etc.,

4. Meanwhile the Government have decided to lay a pipeline from the park to the Sea cost at Chinagolapamem (26.5 Kms

5. Accordingly, the Collector and District Magistrate, West Godavari District got Detailed Project Report (DPR) prepared by Superintending Engineer, Rural Water & Sanitation Department, Elugu Circle for this purpose at an estimated cost of Rs.11.00 Crores, approximately. The Salient features of Detailed Project Report (DPR) are as follows :-

1. To lay a pipeline of length 26.5 km to dispose 3,00,000 litres / day of treated water from the Effluent Treatment Plant (ETP) of the Godavari Mega Aqua Food Park to sea coast at Chinagollapalem.
2. Designed life period of pipeline is estimated at 20 years.
3. 8 hours of pumping with 2 Nos of 25 HP open well submersible pump sets.
4. Total head required is 109.14 m. 250 mm dia HDPE Class 8 pipes are used for 26.5 km length.
5. Effluent Treatment Plant (ETP) for Godavari Mega Aqua Food Park shall be constructed by the management itself.

6. The District Collector, West Godavari District also proposed the following cost sharing pattern for approval of Government:-

(i) Central Assistance / APPCB – 50 %
(ii) State Government / APIIC – 25 %
(iii) Project Proponent's share – 25 %

(Contd....p...2...)

7. After detailed discussions on the proposal vide reference 2nd read above, a conclusion is arrived at to get the pipeline laying project to be executed with the following sharing pattern:-

(i) APPCB – 50 %
(ii) Project Proponent – 50 %

8. Accordingly, Government after careful examination, hereby sanction for laying of pipeline from Godavari Mega Food Park, Tundurru Village, Bhimavaram Mandal, West Godavari District to the Sea coast of Chinagollapalem for disposal of treated waters with Marine outfall into the Sea subject to the following conditions:

(i) To lay the pipeline of 26. 5 kms from Tundurru Village, Bhimavaram Mandal to the sea coast at Chinagollapalem for an amount of Rs.11.00 Crores (Project Cost may come down after technical sanction).
(ii) Sharing pattern of Rs. 5.50 crs. by APPCB and Rs. 5.50 crs. by Godavari Mega Food Park.
(iii) The District Collector, West Godavari district to get the work executed through one of the engineering departments.
(iv) Both Andhra Pradesh Pollution Control Board (APPCB) and Godavari Mega Food Park to deposit their share in two instalments with District Collector West Godavari district within 15 days from the date of issuance of this order.
(v) The District Collector shall arrange for technical sanction within a week from the date of administrative sanction.
(vi) The work shall commence immediately upon deposit of 1st Instalment of funds by Andhra Pradesh Pollution Control Board (APPCB) and Godavari Mega Food Park.
(vii) The work shall be completed by January, 2018.

9. The Chief Executive Officer, Andhra Pradesh Food Processing Society, Vijayawada shall take necessary further action in the matter.

10. These orders shall come into force with immediate effect.
